Low-fidelity Testing

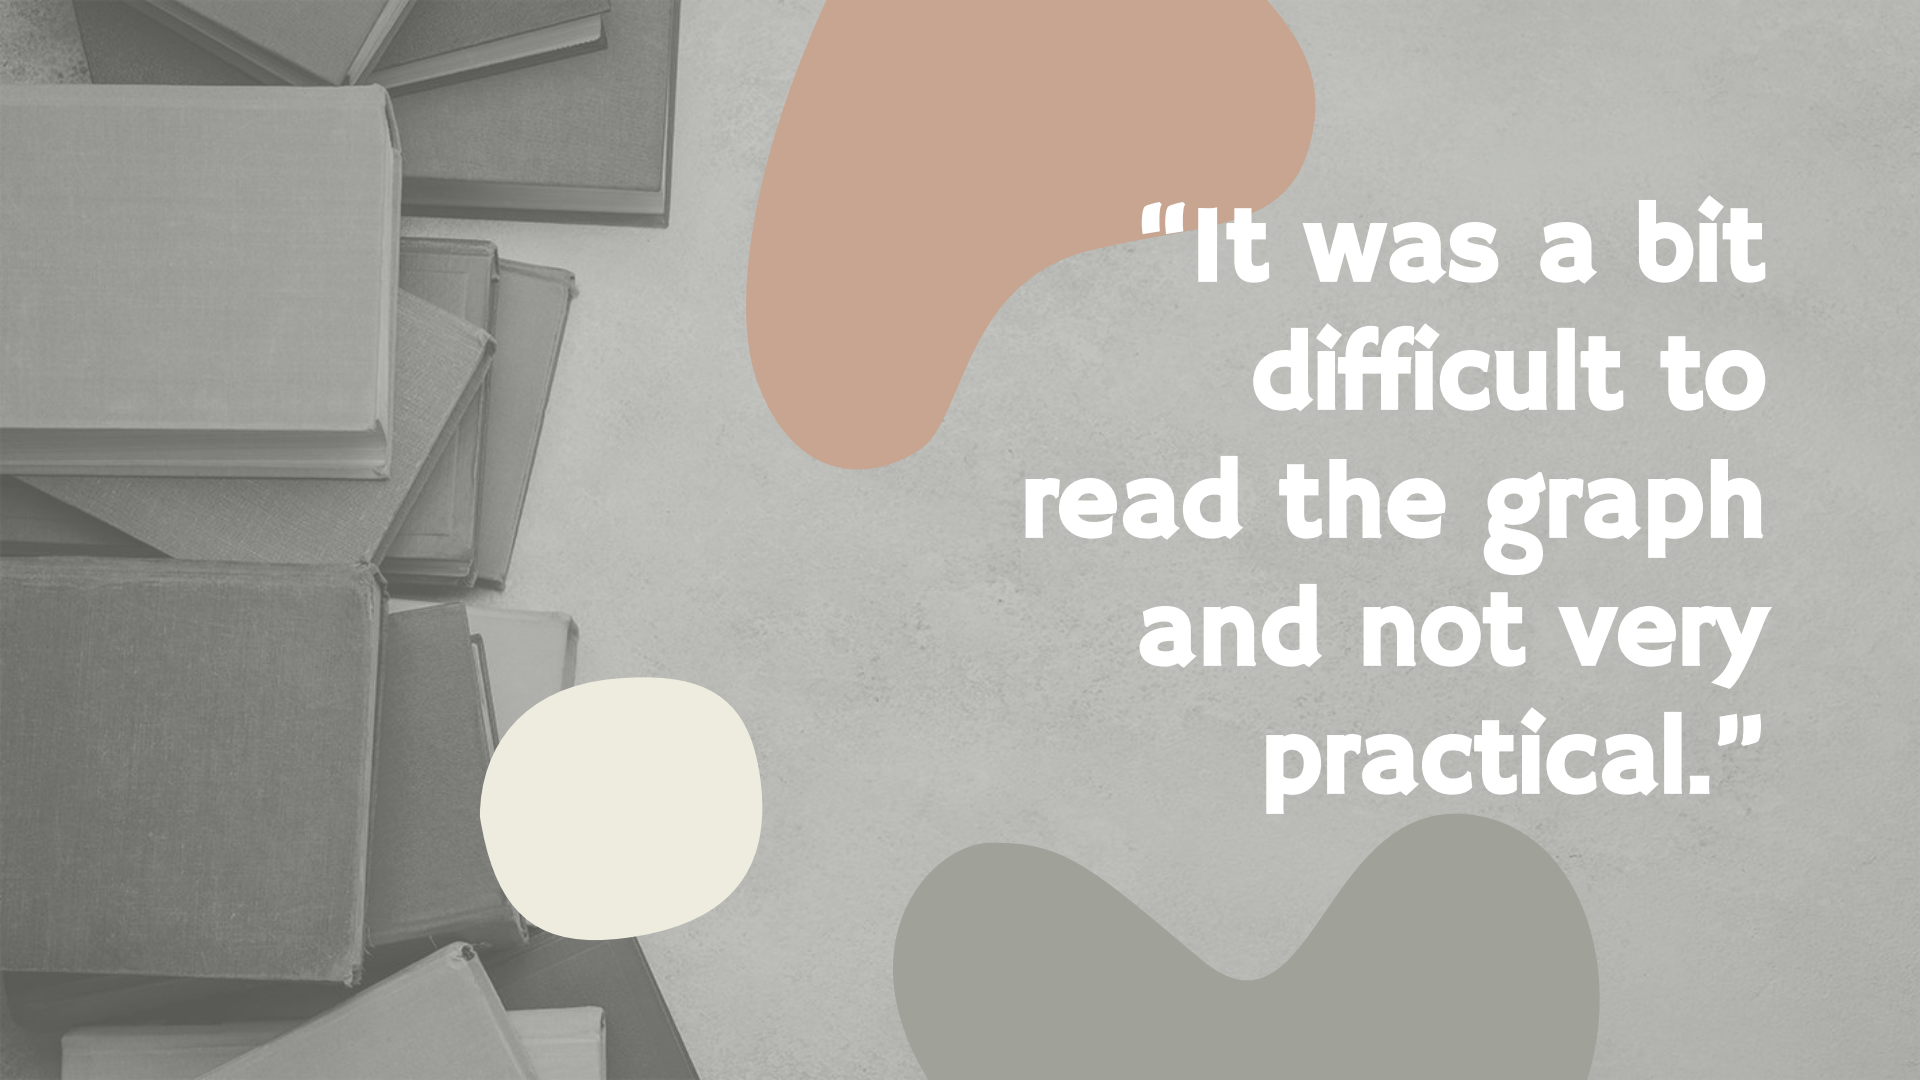

Mobile app wireframe showing a list of notifications and an "ADD" button. The header includes a menu icon and the text "Hello, Name!". Below the header is the text "Notifications". The list contains three items, each with a checkbox and a delete icon. The "ADD" button is located at the bottom.

Notification	Checkbox	Delete
Less than 100 active tickets Tuesday from 8h to 12h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Less than 20 active tickets Friday from 10h to 11h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Less than 30 minutes wait time Mondays, Wednesdays	<input type="checkbox"/>	<input type="checkbox"/>

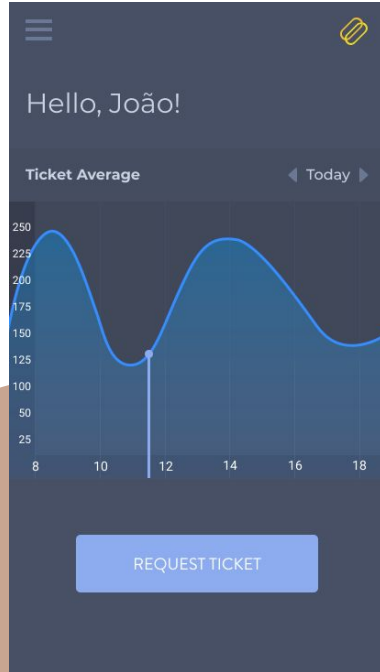

Mobile app wireframe showing a list of notifications and an "ADD" button. The header includes a menu icon and a notification icon. Below the header is the text "Notifications" and a toggle switch. The list contains three items, each with a checkbox and a delete icon. The "ADD" button is located at the bottom.

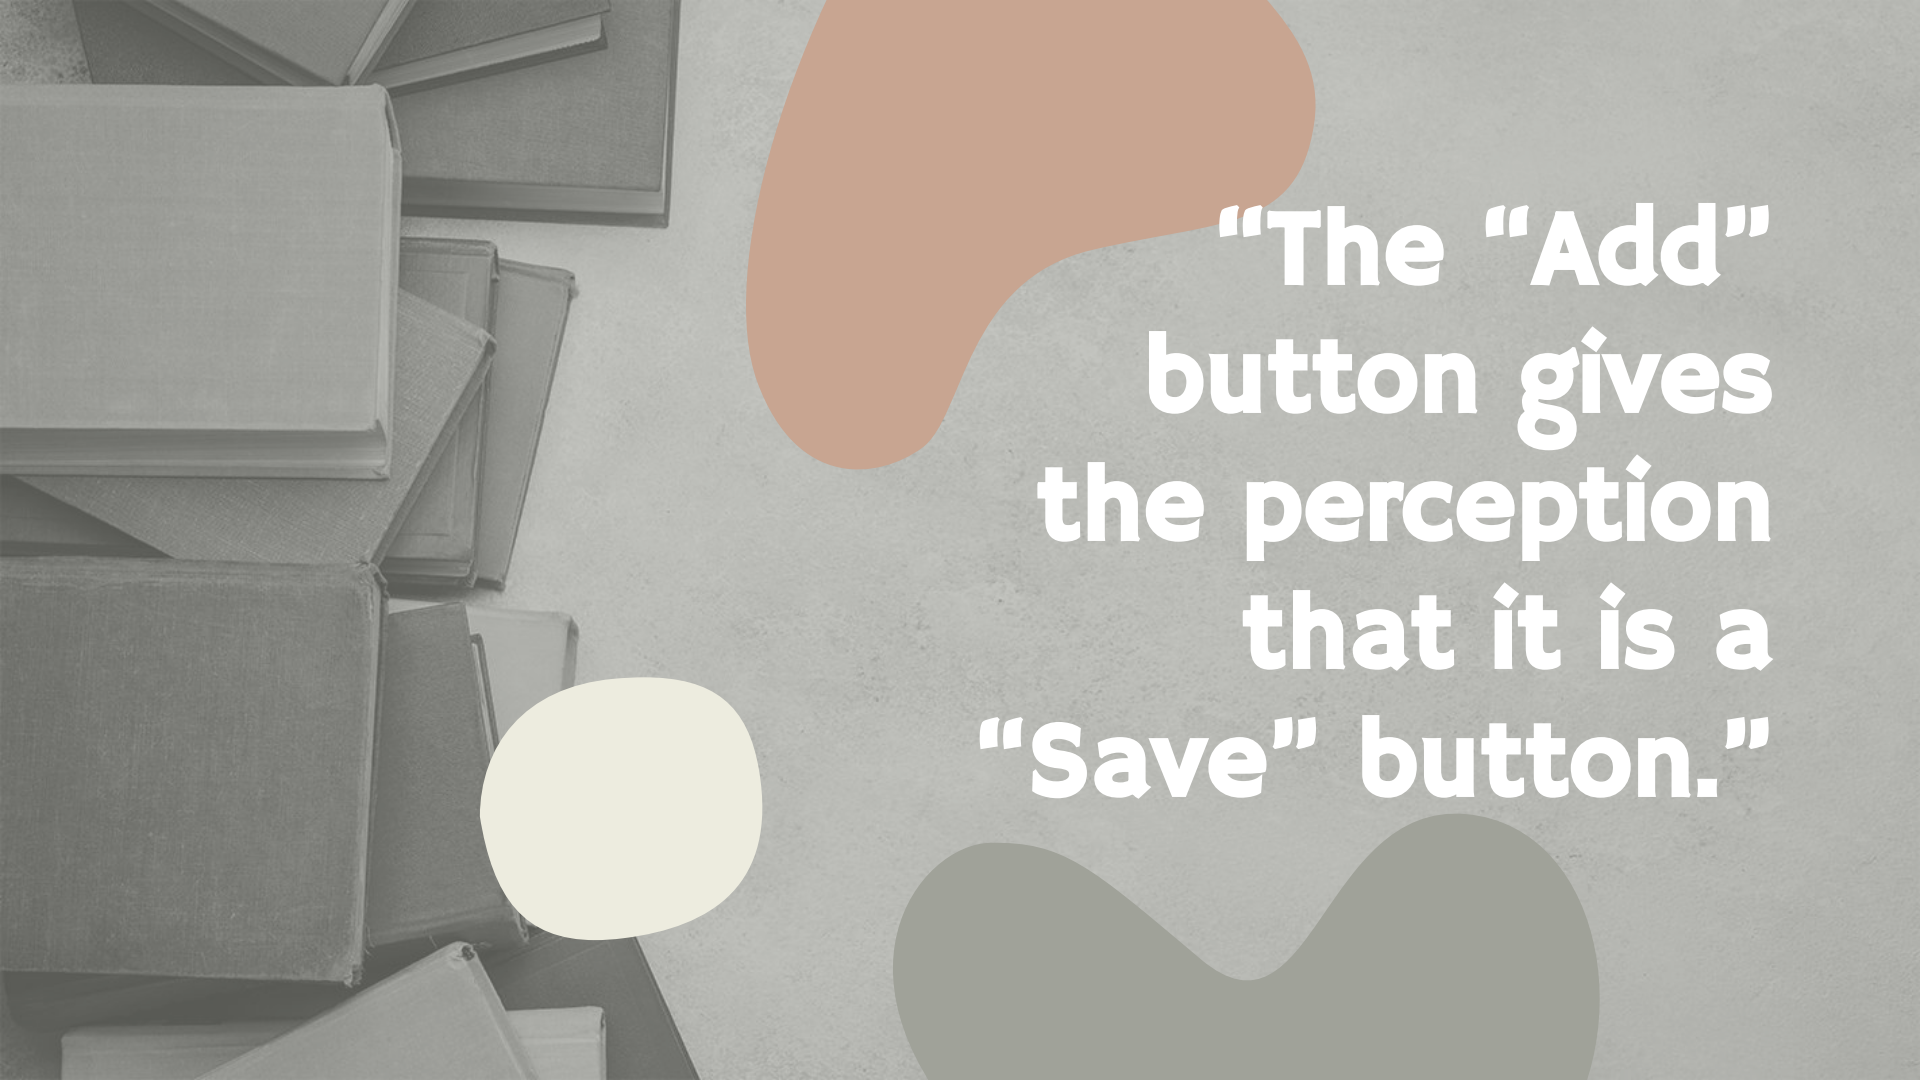

Notification	Checkbox	Delete
Less than 100 tickets Tuesday from 8h to 12h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Less than 20 tickets Friday from 10h to 11h	<input type="checkbox"/>	<input type="checkbox"/>
Less than 30m wait time Mondays, Wednesdays	<input type="checkbox"/>	<input type="checkbox"/>

The background features a stack of books on the left side, with their spines visible. The rest of the background is a light gray textured surface. There are three large, abstract, organic shapes: a large orange one in the upper right, a smaller yellow circle in the lower left, and a dark gray one in the bottom right.

**“It was a bit
difficult to
read the graph
and not very
practical.”**

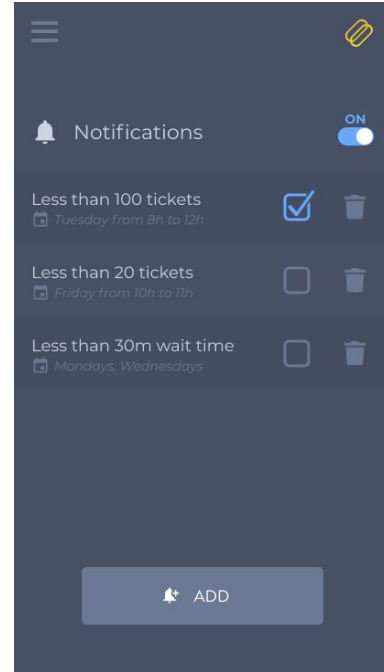

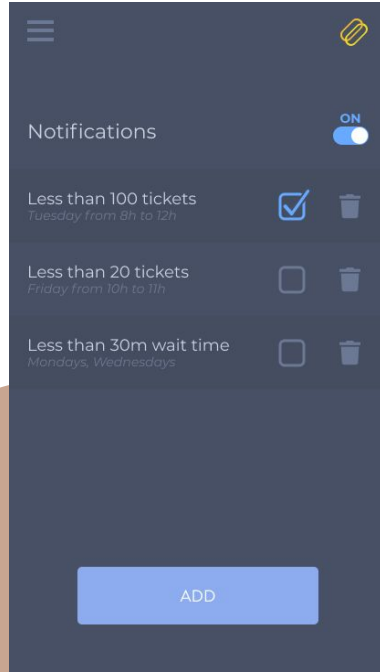

Ticket Average

**“A bright mode
would help the
more elderly and
the people with
partial visual
impairments.”**

Dark and Bright Mode

High-fidelity Testing

High-fidelity Testing

- “Very intuitive!”
- “Looks so smooth!”
- “It’s so simple, you really cannot miss it!”

The background features several large, abstract, organic shapes in muted colors: a grey shape on the left, a light green shape in the center, and a larger light green shape on the right. A central brown rectangle contains the main text.

85%

Did not need any help navigating through the app

75%

Of test cases defined had no participants making any mistakes

100%

Were happy with the end result and would love to use
it in the future
